Pharma research – Path ahead

Dear Sir/madam

Life is a moving university and learning is a continuous process. Learning gives creativity, creativity leads to thinking, thinking provides knowledge, and knowledge makes you great.

It is our great privilege and honour to host a national level seminar – “Pharma research- Path ahead” to be held on December 17th 2009 at Al shifa college of Pharmacy campus - a prestigious institution actively involved in promoting quality Pharma education in the country.

It is rightly said- Our wisdom comes from our experience. Eminent personalities from the education sector from India and abroad are expected to share their experiences and lead the programme commencing from 9am of 17th December. The seminar serves as a platform to discuss the various opportunities and challenges in the field of Biopharmaceutics/ Bioequivalence/Kinetics/ Dissolution method development/Carcinogenesis & Chemoprevention etc, and will aim to discuss and develop a road map for Pharm.D in the healthcare sector of India .The one day session is aimed at establishing benchmarks and standards to meet the short-term, medium and long-term objectives of pharmaceutical research.

On this occasion, we wish to extend a warm welcome to you. We expect your active involvement and participation in the seminar and sincerely hope that you will make a significant contribution to the programme.

Wishing you a happy Christmas and prosperous New year ahead...

With warm Regards

*Dr. Saraswathi. R
Director /Convener,

PROGRAMME SCHEDULE

Registration (Spot registration only) : Starts at 8.00 AM
(Includes lunch & certificate)

Registration Fees : Rs:100 /-

Inauguration : 8:30- 9.00am.

Venue : AL SHIFA COLLEGE OF PHARMACY, SEMINAR HALL.

Session-I

9.00am- 11.00am

Dr.SUNIL.S.JAMBHEKAR, B.Pharm, M.S, Ph.D.

(Professor of Pharmaceutics & Chair. Department of Pharmaceutical Sciences, School of Pharmacy, Florida, USA)

“Bioavailability/Bioequivalence, *Invitro-invivo* correlations, Absorption Rate constant and its significance/Non linear kinetics etc.”

Session-II

11.15 am-1.00pm

Dr.K. GOWTHAMARAJAN . M.Pharm, Ph.D.

(Professor, Dept of Pharmaceutics, Karpagam College of Pharmacy, Coimbatore.)

“Challenges in dissolution method development”

Session-III

2.00 pm -3.00 pm

Dr. SABU. M.C , M.Pharm, Ph.D.

(Post doctoral researcher, NPO International Laboratory of Biochemistry. Uchide, Nagoya, Japan.)

“Carcinogenesis & Chemoprevention”
